DEL CONDADO DE ORANGE

Tras un espacio para jugar

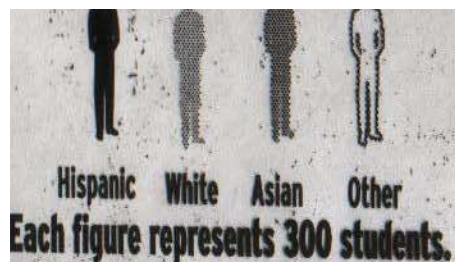

FOTOS POR ARMANDO BROWN/EXCÉLSIO

ANDO ENERGÍA: A falta de una zona verde, los menores de la comunidad de la escuela Garfield encontraron en el estacionamiento de su escuela un lugar para desarrollar actividades físicas. Abajo: Los niños de la escuela Roosevelt jugando en el lote con grama que les prestó ese plantel.

How Orange County's class of 2002 fared

When Orange County's class of 2002 started high school it was 38 percent Latino. By graduation day four years later, the class was 30 percent Latino. Of those graduates who had taken the necessary classes to apply to a California university, less than 13 percent were Latino.

1999: High school freshman class

2002: Seniors receiving diplomas
